John and Denille,

As we get phone calls about the potential teacher strike in Pueblo (or, if the strike occurs), this is a local control matter so please direct parents/community members to the district's central office. Same is true if we get calls from teachers or principals. If you get a call from personnel of the Pueblo City Schools District Office, please send those to Jennifer Okes.

If you are contacted by the media, please send them to Jeremy Meyer of the communications office.

Thanks,

Jhon
